Report on “FE-Exhibition Orientation”

Topic: FE-Exhibition Orientation

Date & Time: January 31, 2017

02:00 p.m. – 03:30 p.m.

Venue: Mondini Hall, ‘D’ wing, 3rd floor

Audience: FE Students.

Description:

The orientation began with an introduction on Colosseum given by Mr. Shivam Mishra. He gave a brief outline of all the Colosseum events wherein the audience got a brief glimpse of the fest of which they would be eventually going to be a part of. Following which he officially introduced the FE Exhibition to the crowd.

Later, Revathy ma’am gave a rousing speech exhorting the students to participate in the exhibition with enthusiasm and how important it was for their career and growth as engineers.

Mr. Dion George explained the rubrics on which they will be judged, and the deadlines. After that, the students met with their concerned faculty incharges and their student coordinators. After a brief discussion of the students with their faculty incharges, Mr. Shivam Mishra reminded the students of their layered deadlines once again and the event was concluded therein.
